“HSBC Golf For Schools”

The HKGA recently launched “HSBC Golf For Schools”. The aim is to give primary school students aged 6 to 12 years old the opportunity to experience golf for the first time in a fun, easy and safe manner.

Primary school children will graduate through a pathway of Golf Fun Days, ShortGolf classes and monthly golf clinics, culminating in on-course golf lessons and the opportunity to gain an official HKGA handicap. Teachers can also be instructed in how to deliver ShortGolf classes, enabling the schools to independently continue the golf activity.

The HKGA will provide ShortGolf equipment, coaching manuals and certificates; plus assistance from qualified PGA golf professionals. We will also provide training for the school teachers if requested. The expenses will be heavily subsidised by the HKGA.

If your school would like to have further information/quotation, please kindly return the form below or contact HKGA on 2504-8659 or email: info@hkga.com. We will get in touch with you in due course.
